

Kitikmeot Qualified Business Registry

Appendix E: Business and Contracting Record

A) Inuit Majority Owned Company Information

1. Your Company Contact Information

Company Name	
Legal Company Name (if different)	
Age of Company	

2. Instructions for *Question 3: Goods and Services Categories and Company Experience*

Please fill in the table using the instructions below as a guide, to identify the goods and services that can be provided by your company for the Kitikmeot Qualified Business (KQB) contract categories listed (questions a to c). If applicable, please also provide information on goods and services that your company has already provided through KQB Contracts (questions d to g). Please append additional pages as needed.

Table 3 a) (landscape orientation) for contract categories with the Hope Bay Project, and **Table 3 b)** (portrait orientation) is for contract categories that are for the Back River Project. You will notice some differences, this is because we were able to negotiate changes and additions to the KQB categories with B2 Gold Back River Corp. We hope to see the same changes with the Hope Bay Project in the near future as part of future negotiations with Agnico Eagle Mines Ltd.

To be filled out by all companies to indicate the goods and services offered and related company professional experience:

a) Contract Category – Check the boxes for KQB contract categories that your company offers. (See also IIBA Appendix A, from the Hope Bay Belt Project and the Back River Project IIBAs.)

b) Company Profile - Append your Company Profile which describes your company's expertise and experience for these goods and services.

c) Partner Company Name and Profile - If applicable, provide names of partner companies that will provide the selected goods and services. Check boxes and append partner company profiles to provide information on their expertise and experience for the selected goods and services.

To be filled out only by companies that had one or more Kitikmeot Qualified Business contracts over the last year:

d) Contract Start and End Dates – List previous Kitikmeot Qualified Business Contract start and end dates, including multi-year contracts.

e) Name of Company for Whom the Previous Work was Done - Provide the name of the company for whom the work was done through the Kitikmeot Qualified Business contract.

f) Location of Work - List the locations of work for the Kitikmeot Qualified Business Contract for the past year.

g) Appendix D: Employment and Training History – Complete a **KQBR Appendix D: Employment and Training History** form for each Kitikmeot Qualified Business Contract for the past year and check the box in the table below.

B) Inuit Content Components Provided by Your Company

Inuit Content Components form part of the eligibility criteria used to evaluate the companies for approval for enrollment on the KQBR. The Inuit Content Components in IIBA Appendix B (from the Hope Bay Belt Project and the Back River Project IIBAs) include the Degree of Inuit Economic Interest and the Degree of Inuit Control. These Inuit Content Components offer companies the opportunity to demonstrate the Inuit content that their companies provide in the area of business contracting. Please append additional pages, as needed.

1. Degree of Inuit Economic Interest – *“the degree to which one or more Inuit have a right to receive, or participate in, any payments arising from the business activities, of an entity bidding or negotiating to provide services or goods for the Hope Bay Belt Project/Back River Project” (Hope Bay Belt Project/Back River Project IIBAs, Appendix B).*

a) Please provide details of how Kitikmeot Inuit have the right to receive, or participate in, any payments arising from the business activities, of your Kitikmeot Inuit majority owned company bidding or negotiating to provide services or goods for the Hope Bay Belt Project or Back River Project.

b) Can you provide the following information on request:

- | | | | |
|--------------------------|-----|----|---|
| <input type="checkbox"/> | Yes | No | Payroll records showing Kitikmeot Inuit employment figures |
| <input type="checkbox"/> | Yes | No | Resolutions showing dividends and type of dividends |
| <input type="checkbox"/> | Yes | No | Shareholders register showing the number of shares held by each person. |
| | Yes | No | Proof of Payment – dividend or management fee (if not included above) |
| <input type="checkbox"/> | Yes | No | List of all corporate assets valued at more than \$1,000 CAD |

2. Degree of Inuit Control – *“the degree to which Inuit have the right, through an equity interest in an entity bidding or negotiating to provide services or goods for the Hope Bay Belt Project/Back River Project, to directly or indirectly, direct the management and operations of such entity” (Hope Bay Belt Project/Back River Project IIBAs, Appendix B).*

a) Please provide details of how Kitikmeot Inuit have the right, through an equity interest, to directly or indirectly, direct the management and operations of your Kitikmeot Inuit majority owned company. Please attach the details

b) Please identify the equity interest of Kitikmeot Inuit in your Kitikmeot Inuit majority owned company.

i) What is the overall equity interest held by Kitikmeot Inuit in your Kitikmeot Inuit majority owned company?

ii) Do Kitikmeot Inuit hold over 50% the equity in your Kitikmeot Inuit majority owned company? Yes No
